## National Latino AIDS Awareness Day PSA (:30)

October 15, 2010 is National Latino AIDS Awareness Day, a day that provides communities with an opportunity to encourage HIV prevention, testing, and treatment. This year's theme 'Save A Life; It Might Be Your Own' urges Hispanics and Latinos to get tested for HIV.

To find a testing site, visit <u>www.hivtest.org</u> or text your zip code to KNOW-IT, that's 566948.

A message from CDC.
